

Chi Luu is a triple major in Political Science, Public Policy, and Philosophy, expected graduation class of 2026. She takes pride in her involvement on campus and in the Redlands community. Besides being the current President of the Maroon and Grey Students' Ambassador, she is also the President of the Asian Student Association and the President of our Political Science Honor Society (Pi Sigma Alpha).

She is passionate about giving back and grateful for the incredible scholarship opportunities that Redlands has provided, which make the impossible possible. Such as May term Policy Making in D.C., May term travel abroad to Salzburg, Austria, to study Comparative Human Rights, and the Tinker Scholarship.

Chi moved to the United States when she was 14 years old. Being an immigrant and seeing her family's struggles firsthand makes her want to help change the systems for the better. Her goal is to become a lawyer and a judge in Immigration Policy to give back all the support she has had to advance her education. Chi wants to ensure that our justice system is more accessible to immigrant families and children.
