

**Divya Bisht**

Divya Bisht is a vibrant content marketing strategist who works with top-tier healthcare, finance, telecommunications, IT, and e-commerce companies. A proud 2010 graduate of the University of Redlands, she earned a Bachelor of Arts degree in Business Managerial Studies and Studio Art.

While on campus, Divya performed in cultural events and participated in the Feast of Lights. She also tutored local elementary school students, helping them improve their math and reading skills. Today, Divya continues to make an impact, speaking at conferences and writing articles in her spare time. She focuses on teaching content strategies and empowering others to overcome imposter syndrome.
