

**Jordan Ruting**

Jordan Ruting is a seasoned enterprise leader with deep expertise in go-to-market transformation, partner ecosystems, and driving customer value across cloud and AI innovation. As Head of Partnership Sales at SAP, Jordan is known for building high-impact strategies that align sales execution with partner growth, helping customers accelerate their move to SAP Cloud ERP and realize measurable outcomes. With a strong track record in expanding revenue, mentoring field teams, and leading with a customer-first mindset, Jordan brings energy, clarity, and momentum to projects he leads. As a new member of the University of Redlands Alumni Board, he is excited to contribute his expertise to the continued success of its community.
