

**Lori Horter**

Lori's adult life has been dedicated to service. She has been involved in all aspects of the Redlands community from events benefiting the Redlands Conservancy, PTA treasurer for her children's school at Mariposa Elementary, to her current position as the President of the Fine Arts Boosters at Redlands Christian Schools. While an active alumna at the U of R, she has volunteered as Vice Chair for 11 years for the President's Circle of Leadership committee, been a member of GAAC (Greek Alumni Advisor Committee), an advisor for her sorority Alpha Theta Phi, and co-chaired two class reunions. Since 2022 she has held a seat on the Alumni Board. Lori graduated from the U of R back in the 1900s (1988) with a BS in biology and graduated in 2006 from University of Phoenix with an MBA (emphasis in Healthcare Management). She currently owns her own company, Laboratory Compliance Services, LLC, where she works with clinics and MD offices that have an in-house laboratory to maintain compliance with state and federal regulations.

Lori has been married to Greg Horter (CAS '89 and former Alumni Board member and President) since 2001. They live in Redlands, CA with their children, Reagan (17) and Sarah (14) along with their labradoodle Roy. She enjoys every moment with her family, her many school events with her children, traveling, and an excellent pairing of wine with dinner! Go Bulldogs!!!
