MY EARTH DAY PLEDGE

I understand the big responsibility that owning a tree is. I will be (check one):

- ☐ Planting my tree at home.
- ☐ Donating my tree so that it has plenty of room to grow!

I will be a good steward of the environment. No job is too big, and no action is too small. The care for our Earth is a job for us all! I will make one mindful change to my habits to help the Earth. I will:
