Hunsaker '52*

## *An Attitude of the Heart*

RICH AND GINNIE HUNSAKER, both graduates of the class of 1952, understand well how the University of Redlands prepares students to lead successful, purpose-filled lives. Though Rich jokes about having been a “benchwarmer” as one unskilled in the art of college football, his ultimate success in the real estate industry made him a star player in his field. Ginnie, a member of Chapel Choir and Orchesis, a modern dance club, began her career as a kindergarten teacher and through her community service and volunteer leadership has changed the lives of countless young people.

Their experiences as undergraduates taught them how the guiding influence of inspiring professors leaves an indelible impression, helping shape the hearts and minds of students in lasting ways. With these experiences in mind, the Hunsakers have demonstrated a lifelong commitment to nurturing similar opportunities for future generations. In this spirit, they have made a transformative gift, the largest in University history, to establish the Richard and Virginia Hunsaker Scholarship Prize. Designed to recognize and support exceptional student achievement in leadership and civic engagement, this highly competitive award goes beyond traditional scholarship programs. The Hunsaker Scholarship Prize will meet each recipient’s full demonstrated financial need for all four years at Redlands while also providing support in securing internships and research opportunities within their fields of study. “Ginnie and I believe wholeheartedly in the power of the University of Redlands to shape the leaders of tomorrow,” Rich said. “Our hope is that this gift will inspire new generations of students to attend Redlands and become leaders on campus, in their communities, and throughout the world.”

Prior to the establishment of the Hunsaker Scholarship Prize, Rich and Ginnie endowed four faculty chairs over the past 30 years—the Richard C. Hunsaker Chair of Management, the Virginia Hunsaker Chair in Distinguished Teaching, and the University Chair in Global Business. The Hunsakers also named the H. Jess and Donna Colton Senecal Endowed Dean’s Chair in Business in honor of their classmate and fellow Trustee Jess Senecal and his wife Donna, both lifelong friends. The namesake Hunsaker University Center serves as the vibrant hub of student life on campus and is but one example where the couple’s legacy of giving is seen and felt on campus.

For many years, Rich and Ginnie have given their time, leadership, and expertise to the University’s Board of Trustees. Rich, who has rejoined the board in this academic year, served as chairman from 1985 to 2000. Ginnie served from 2003 to 2012. Together, they co-chaired the \$107 million Centennial Campaign, which forever changed the University’s face and future.

Rich and Ginnie have been recognized with some of Redlands’ most prestigious awards, receiving their respective honorary doctorates in Humane Letters in 2001, and sharing the Centennial Award in 2006. In addition, Rich and Ginnie are longtime supporters of several Orange County education and arts institutions.

The generosity of the Hunsakers is without parallel at the University of Redlands. The driving force behind every major gift they have made is a desire to inspire others to join them in philanthropic support of the University. Theirs is an attitude of the heart, an abiding love for their alma mater and devotion to its enduring success. Their magnanimity sets the example for all of us to follow.

# *Alma Mater*

O, that dear old U of R,  
Thy children near and far  
Will sing to thee and all thy glories tell;  
Where the orange blossoms grow  
And the waters gently flow,  
That dear old U of R we love so well.

O, that dear old U of R,  
Whose emblem shines afar,  
Eternal as the hills we love so well;  
Where the mountains tall and grand  
Like an inspiration stand  
That dear old U of R we love so well.

O, that dear old U of R,  
The years can never mar  
The memories of thee we love so well;  
Where the friendships are so dear  
That we leave them with a tear,  
That dear old U of R we love so well.

## ALMA MATER HISTORY

Our Alma Mater was written in 1914 to go along with the American folk song "The Little Old Red Shawl My Mother Wore," composed by Charles Moreland, and the musical-theatre tune "He Never Wanders Far from His Own Fire."

It is sung at commencements, convocations, and other formal occasions.
